Remember the Veterans: Next year marks the centennial of World War 1. Over 70,000 Arkansas men served in the United States armed forces during that conflict that lasted until 1918. While all of those soldiers have passed on, some of their descendants teach at Cabot High School. William Franks is the grandfather of Mrs. Lowery, Rufus Calvert (left) is the great-uncle of Mr. Calvert and George Lane is the grandfather of Coach Black.
