

ENTRANCE REQUIREMENTS

ENTRANCE REQUIREMENTS

To enroll in Cabot Public Schools, the child must be a resident of the Cabot School District as defined in District policy (RESIDENCE REQUIREMENTS), meet the criteria for HOMELESS STUDENTS, be accepted as a transfer student under the provision of the transfer policy, or participate under a school choice option and submit the required paperwork as required by the choice option.

For the 2011-2012 school year, students may enter kindergarten in the public schools of this state if they will attain the age of five (5) on or before August 1, 2011.

Any child who will be six (6) years of age on or before October 1 of the school year of enrollment and who has not completed a state-accredited kindergarten program shall be evaluated by the district and may be placed in the first grade if the results of the evaluation justify placement in the first grade and the child's parents or legal guardian agrees with placement in the first grade; otherwise, the child shall be placed in kindergarten.

Any child may enter first grade in one of Cabot's elementary schools if the child will attain the age of six (6) years during the school year in which the child is seeking enrollment and the child has successfully completed a kindergarten program in a public school in Arkansas.

Any child who has been enrolled in the first grade in a state-accredited or state-approved elementary school in another state for a period of at least sixty (60) days, who will become age six (6) years during the school year in which he/she is enrolled in grade one (1), and who meets the basic residency requirements for school attendance may be enrolled in the first grade.

Students who move into the Cabot School District from an accredited school shall be assigned to the same grade as they were attending in their previous school (mid-year transfers) or as they would have been assigned in their previous school. Home-schooled students shall be evaluated by the District to determine their appropriate grade placement.

The district shall make no attempt to ascertain the immigration status, legal or illegal, of any student or his/her parent or legal guardian presenting for enrollment. Anyone questioning a person's legal status will be referred to legal authorities.

Prior to the child's admission to a Cabot School District school:

1. The parent, guardian, or other responsible person shall furnish the child's social security number, or if they request, the District will assign the child a nine (9) digit number designated by the Department of Education.
2. The parent, guardian, or other responsible person shall provide the District with one (1) of the following documents indicating the child's age:
 - a. A birth certificate;
 - b. A statement by the local registrar or a county recorder certifying the child's date of birth;
 - c. An attested baptismal certificate;
 - d. A passport;

- e. A military ID;
 - f. An affidavit of the date and place of birth by the child's parent or guardian; or
 - g. Previous school records.
3. The parent, guardian, or other responsible person shall indicate on school registration forms whether the child has been expelled from school in any other school district or is a party to an expulsion proceeding.
 4. The child shall be age appropriately immunized from poliomyelitis, diphtheria, tetanus, pertussis, red (rubeola) measles, rubella, and other diseases as designated by the State Board of Health, or have an exemption issued by the Arkansas Department of Health. Proof of immunization shall be by a certificate of a licensed physician or a public health department acknowledging the immunization. Exemptions are also possible on an annual basis for religious reasons from the Arkansas Department of Health. To continue such exemptions, they must be renewed at the beginning of each school year. A child enrolling in a district school and living in the household of a person on active military duty has 30 days to receive his/her initial required immunizations and 12 months to be up to date on the required immunizations for the student's age.
