

Birthday Treat Days

Below are the official birthday celebrations. State law only allows 9 noneducational "food" days each year. Remember that no "homemade" items are allowed. It's always sad to turn these items away, but we must per district policy.

Security Update

September 19th, we will practice our school-wide Lockdown drill. We have invited our friends from the Ward Fire Department, Ward Police, Leno County Sheriff's Office, and Cabot Schools' Director of Safety and Security. You will receive an automated message the night prior as a reminder. If you have any questions, please contact Mrs. Glover or myself.

Thank you for making our security measures (not walking students to class, standing in the foyer) so easy to implement. We appreciate you!

Dinner With Your Teacher

We are excited to announce our next Parent Night! Each grade is hosting a "Dinner With Your Teacher" event either in September or October. We provide dinner and childcare so you can get to know your child's teacher and curriculum better. We had a great turnout last year and expect it to be even bigger this year! Look for your invites soon.

Grandparent's Day

Mark your calendars and round up your relatives, Grandparent's Day is

Counselor Corner:

By now, I'm sure you have heard about the Affirmation that we are using at school. Your student may have come home begging for your help in getting their picture on our, "Affirmation Wall of Fame," so let me remind you how that works.

In order for your student to get their picture on the Wall of Fame, they must do one of the following:

- Post a video to social media doing the affirmation with a grown up from home. Use the hashtag #WCBetterMe so that we can find it more easily.
- Send your video to someone that works at WC (DOJO, e-mail, text, etc.)
- Say the affirmation to a staff member with a grown up from their home.

We are excited to see how using this affirmation at home and at school boosts our students' self-esteem! Keep up the good work!
