**ABOUT FRIDAY NIGHT'S PERFORMANCE AT THE**  
**BASKETBALL GAME!!**

I hope your child had a wonderful time at the 2017 CHS cheer clinic. They are invited to perform all that they have learned **Friday, February 17<sup>th</sup>**, at the Cabot High School basketball game. The clinic participants will be allowed in the game free, but all parents, grandparents, friends, etc will have to buy a ticket to enter the game. Ticket prices are Adults- \$5, Students- \$5.

We will meet at the Cabot High School annex gym on Friday (February 17, 2017) to practice the material once more before the performance. (This is located between the old main gym and the arena) We will have signage at the entrance of Panther Arena directing you. **All clinic participants should meet in the Annex gym between 7:00 and 7:15. We will hand out t-shirts at this time.** To match the t-shirts, preferred performance attire is black shorts or pants. They must wear athletic shoes. We will practice from 7:00-7:30 in the annex gym. Around 7:35 we will take the participants to the arena. **They will perform at halftime of the Boys Girls basketball game sometime close to 7:45.** (Times vary according to game play so watch the time clock!) They will perform the dances, the chants and cheer. When they are finished, we will take them to the bleachers under the scoreboard.

**\*Parents will need to meet us at the top of the bleachers to retrieve their children. Please make sure that someone is available to retrieve your child after the performance. There will not be supervision for your child for the rest of the basketball game.**

I hope that I have answered all of your questions. However, if you have additional questions, the easiest way to get a hold of me is through email at [Ashley.Cooper@cps.k12.ar.us](mailto:Ashley.Cooper@cps.k12.ar.us). If for some reason you cannot attend the Friday performance, e-mail me so we can make arrangements for you to pick up your t-shirt the week following the performance. Thank you so much for participating in our clinic and we hope to see your child back next year.
