

DIVISION OF ELEMENTARY & SECONDARY EDUCATION

Dear Dr. Thurman,

The 2023-24 Gifted and Talented Program Approval Application for the Cabot School District has been reviewed by the Arkansas Department of Education, Division of Elementary and Secondary Education, Office of Gifted & Talented and Advanced Placement. The information contained in the application reflects your district's compliance with Arkansas rules governing services for gifted and talented students K-12.

If you have any questions about the annual program application process, or if I can support your district in providing services for gifted students, please contact me.

Sincerely,

Amanda Peebles
