OCTOBER 2025

From the Principal

October marks a critical moment for students: the close of our first grading period. Please make plans to attend our upcoming Parent-Teacher Conferences to review your student's progress and set goals for the next quarter. We also encourage you to be an active partner by regularly checking HAC (Home Access Center) to monitor assignments and current grades. Your collaboration with our teachers is key to finishing the first quarter strong!

We look forward to celebrating a great start to the year!

Important

Rise in Student Threats

We've observed a significant rise in student conflict and aggression, including physical fights, leading to an increasing number of suspensions. Effective immediately, students who receive an In-School or Out-of-School Suspension will temporarily lose the privilege of attending school-wide activities and events (like dances or incentives). This policy ensures a safe learning environment and emphasizes that participation in special events must be earned by meeting our behavioral standards. Eligibility will reset each quarter to give students a chance to improve.
