

### **Northside Goals:**

We will build loving relationships with our Northside family through acceptance, trust, vulnerability, collaboration, accountability, and transparency.

We will ensure all students are provided equitable instruction with high expectations.

We will build a strong foundation for our students to actualize their potential.

### **Northside Staff:**

#### **Northside Core Beliefs**

- \* All children have their own unique paths to learning
- \* We must build relationships where ALL feel safe and valued
- \* Teachers and students make a daily commitment to enthusiastic teaching and learning
- \* Teachers and students make discoveries relevant to real-life experiences that encourage them to be life-long learners
- \* Relationships, character, life skills, and academics are all equally important
- \* Mistakes are opportunities for growth
