

Mission, Vision, and Collective Commitments

Mission:

Learning and Growing Together

Vision:

Our school community is committed to helping all students learn at high levels.

Collective Commitments:

1. We will be a positive, approachable, open, and reflective member of collaborative teams.
2. We will be prepared and on time.
3. We will be knowledgeable of content and students.
4. We will be vulnerable - asking questions and willing to learn.
5. We will have a professional approach, presentation, and interaction with students and adults.
6. We will advocate for students by holding one another and self accountable, and by respectfully solving conflicts.
7. We will be a dependable member of the PLC process by contributing and fulfilling shared responsibilities.
