

It is time to begin nominations for PPC.

The following schools will need to nominate a person who would be willing to serve as your school's PPC rep for two years beginning September 2023. CHS (Wes Davis nominated), Southside, Eastside, Northside, Westside, MSM, and MSS.

The teachers may choose to submit more than one nomination from their school or **choose to vote and send in one nomination for the district ballot.**

Please call a meeting of your faculty to get nominations and then email me the nomination by the end of the day on Friday, August 18th . I will send out the electronic ballot on Wednesday, August 23th. Please mark your calendar for **September 13th** as the first meeting.

Just a reminder - Per Arkansas Personnel Policy Law "**the election shall be solely and exclusively conducted by the classroom teachers**, including distribution of ballots to all classroom teachers."

Also, if your term is up and you are nominated, you need to get another teacher to carry on with the voting process!!!
